MICHELANGELO VS. ROCKSTEADY

When Michelangelo and Rocksteady first come face to face in the 1987 series' episode "Turtle Tracks," Rocksteady is actually in human form. It isn't until the next episode, "Enter the Shredder," that Rocksteady appears as a Rhinoceros and the two mutants battle for the first time — but it won't be the last!

Besides being a mutant, Rocksteady doesn't seem to have much in common with the Turtles in the show. But in real life, the character was voiced by Cam Clarke, the same actor who played Leonardo.
