

TEENAGE MUTANT NINJA TURTLES RAGIN' RACER

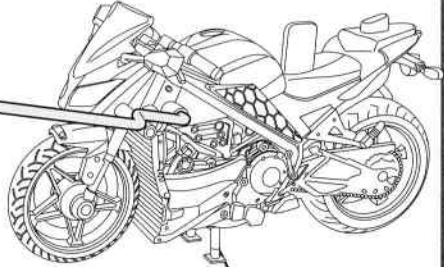

1. Harness is removable. To attach harness put over head and strap goes in between the legs.

2. Pull through the hole and hook onto knob. Pull tightly so there is no slack in harness.

3. Attach figure to rotating bar as shown.

Kick stand moves up and down.

Ages 4 and up
ASST. #94000
Item #89304

To Set:

Pull figure up.

Rotate figure clockwise one flip and sit figure on seat. Press down on seat launcher.

Figure should not hold handle bars and make sure figure's bottom is touching the seat. Note: Figure is in semi-standing position while positioned on seat.

To Activate:

Press button to activate feature.

Figure will flip doing one rotation.

And land on its feet or in sitting position. Not all figures will perform perfectly.
