Creature From The Black Lagoon Leonardo:™

The Swampy, Slithery, Drippin' Dude!

Emergin' from the dark depths of the soggiest swamp, Creature from the Black Lagoon Leonardo stalks onto dry land, searchin' for foul Foot and the notorious Shredder.

Leonardo may look monstrous and slimy—and that's because he is! He's so convincing, he's been offered a movie deal from Universal Studios. That's right! And he could star with his other B-Movie Mutants, like Invisible Man Michaelangelo, The Mutant Raphael and Bride of Frankenstein April. But, alas; Creature from the Black Lagoon Leonardo is only interested in bringin' terror to Foot Faces.
